
	Programme Brief	Issue No: SSPF- 1.2
	Support Scheme for Publication Fees (SSPF) of Sri Lankan Scientists	Date of BoM Approval: 20/02/2024
		Revision No.: 02
		Next Review: 10/2024
		Implementing Division: JPD/NSF
		Pages: 01/03
<p>Main objective: Support the Publication fees of research papers of Sri Lankan Scientists whose papers have been accepted by high-impact indexed journals</p> <p>Corporate Plan Reference: 1.4.8</p> <p>Specific Objective: To support the publication of research in reputed, indexed, high - impact international journals for dissemination of research results for greater visibility.</p>		
<p>Rationale:</p> <p>Research publications enable sharing of findings so that others can benefit from the new knowledge which has been discovered. It also gives project findings the opportunity to be critically evaluated, reproduced and thus gains validity. Therefore, the way to reach the widest audience is to publish the findings in a reputed journal.</p> <p>However, some reputed journals charge publication fees. As such, funding the publication fees of Sri Lankan Scientists whose papers have been accepted by indexed journals will be an immense encouragement for them, and will ensure greater visibility for their R & D activities.</p>		
<p>Programme consideration:</p> <ul style="list-style-type: none"> • Publications should arise in an Open Access journal, indexed in the Clarivate Analytics Science Citation Index Expanded (SCIE) or Social Science Citation Index (SSCI). • To be eligible for the grant, the minimum Impact Factor/ss of the journal/s on the year of publication of the article must be as follows: <ul style="list-style-type: none"> ✓ Science Citation Index Expanded (SCIE) - 2.0 ✓ Social Science Citation Index (SSCI)- 1.0 • This scheme operates on Reimbursement basis. • The applications are invited twice a year in March and October. • Preference is given to first-time applicants and early career applicants, applicants who do not have institutional support, applicants who receive supplementary funding and applicants who have a good track record with relation to NSF grants. • Partial support will be provided for applicants with institutional support.
